National Occupational Standards (NOS) are owned by a Sector Skills Council or Standard Setting Body and they describe the skills, knowledge and understanding needed to undertake a particular task or job at different levels of competence. The structure and units of this qualification are based on NOS for the construction sector developed by CITB.

### The Assessment Process:

(1)	Contact CCM on 01782 28 44 22 To obtain a quote for the required qualification,  We have assessors in most parts of the UK and will be able to make contact to put the Learner at ease.	(4)	The next site visit will be an observation on the work activity, in which the learner follows the standards outlined in the CCM Assessment Portfolio, this is supplied at the induction meeting, a date will be given to make an assessment review.
(2)	If the quotation obtained is agreed, an invoice is raised for a deposit of 50% of the total cost to be paid, Payment is made by bank transfer	(5)	The Assessor will take away all the supplied work evidence and start to build up the Portfolio, the next meeting will be to complete the process.
(3)	An agreed date is set for the induction into the assessment process, this will also include the Assessment Plan to establish what work evidence is required and timescales in which to work towards.	(6)	The next site visit will probably be the final visit to make sure that everything has been covered, the final payment will be made prior to claiming certification, this is then sent or handed to the Learner.
